

Joerg "UTTE" Vogt hails from Upper Franconian Bamberg. After years of playing in bands such as Fastbeat Superchargers, Sinnerow, and Shy's Eric, he launched his solo career in Schwäbisch Hall in 2023. This was followed by performances at home and abroad. UTTE focuses on his own songs as well as popular covers – versatile and unconventional.

With a guitar, microphone, and stompbox, he delivers an entertaining, profound live experience – authentic, emotional, and with a wink. Inspired by Tom Waits, Eric Clapton, and Johnny Cash, UTTE creates his own style and uses wit, charm, and self-irony to question our modern society.
